A proud member of:

Come Out and Skate!

Skate Canada programs are designed to provide fitness, fun and a sense of achievement for skaters of all ages. The *Timmins Porcupine Figure Skating Club* has qualified coaches and program assistants who ensure skaters get the best possible instruction.

The AdultSkate sessions are sanctioned by Skate Canada and are growing in popularity across the country. They allow new skaters to learn the basics of figure skating and past skaters to rediscover their love for the sport.

AdultSkate

AdultSkate offers opportunities for skaters of all ages to develop or continue to improve fundamental figure skating skills in areas of ice dance, skating skills, free skate and interpretive skating. This program teaches figure skating skills and basic skating skills in a group setting in a progressive and sequential manner.

A friendly, caring and relaxed learning environment allows all adults to gain confidence on ice. Bring a friend and come learn to skate today!

**ALL SKATERS MUST WEAR A
